You will receive Your cancellation refund from the Dealer.

We and/or the Service Contract finance source may cancel this Contract:

1. If Your Vehicle is a total loss or repossession.
2. If Your Vehicle's odometer is disconnected or altered or for any reason does not record the actual mileage of Your Vehicle after the Contract Effective Date and You do not have it fixed and the mileage certified within thirty (30) days of the failure date.
3. There is a material misrepresentation or fraud at the time of sale of this Contract.
4. For non-payment of premium by You, in which case We shall provide You notice of cancellation by certified mail. If this Contract was financed or purchased on a payment plan (by a funding company) the financing source shall be entitled to any refunds resulting from cancellation of this Contract for repossession of Your Vehicle, total loss of Your Vehicle or failure to make monthly payments in a timely manner.
5. If Your Vehicle has been used in any manner not covered by this Contract. If the Contract is canceled within thirty (30) days from the Contract Effective Date shown on the Registration Page, and no claim(s) has been made, then the full Contract Purchase Price shall be refunded to You. If a claim has been made against Your Contract or the Contract has been in effect more than thirty (30) days, a pro rata refund will be calculated based on the greater of the time in force or the miles driven compared to the total time or mileage of Your Contract Term, less a one hundred-dollar (\$100.00) cancellation fee.

NOTE: If the Contract Coverage Cost was financed, the refund will be paid to the Contract finance source as their interest may appear. (Refer to the Finance Source Changes.)

TRANSFER OF CONTRACT

- A. Your Contract may be transferable to someone to whom You sell or otherwise transfer Your Vehicle while this Contract is still in force. This Contract cannot be transferred if the title transfer of our Vehicle passes through an entity other than the subsequent buyer, or Your Vehicle is sold or traded to a dealership, leasing agency or entity/ individual in the business of selling vehicles. This Contract can only be transferred once, and the original Contract holder must initiate the transfer.
- B. To transfer, the following must be submitted to the Administrator within thirty (30) days of the change of ownership to a subsequent individual purchaser:
 - A completed transfer form; with
 - Name and Address of new owner, date of sale to new owner, current mileage; and \$100.00 Transfer fee payable to the Administrator. Any remaining manufacturer's warranty must also be transferred at the same time as Vehicle ownership transfer.
- C. Copies of all maintenance records showing actual oil changes and manufacturer's maintenance must be given to the new owner. These maintenance records must be retained along with similar documentation for future maintenance work, which the new owner has performed in accordance with the maintenance requirements of this Contract. If necessary, these documents will be verified by the Administrator.

PAYMENT PLAN AGREEMENTS

In the event the purchase price of Your Contract is being paid for through a payment plan (or its equivalent) which is terminated for non-payment, the Term and mileage of this Contract will be modified to reflect the portion of the Contract that You have paid for. The modified Term and mileage of the Contract will be calculated on a pro-rata basis by adding the time and mileage that You have used from the Contract Purchase Date and Vehicle odometer mileage on the Contract Purchase Date as listed on the Registration Page. You may contact the Administrator toll free at (855)-704-2566 to obtain the modified Term and mileage limits.

LIMITED APPLICABILITY OF THE FEDERAL MAGNUSON MOSS WARRANTY ACT

You agree and acknowledge that You have paid an additional fee for this Contract that is separate and apart from the purchase price You paid for the Vehicle. Because of that separability stated consideration, You agree and acknowledge that this Contract is not part of the basis of the bargain for Your purchase of the Vehicle. You further agree and acknowledge that the Administrator or Obligor under this Contract, are not the supplier of the Vehicle. Consequently, this Contract is not a "written warranty" under the federal Magnuson Moss Warranty Act. As a result, this Contract is not subject to the provisions of the Magnuson Moss Warranty Act that apply only to a "written warranty."

DISPUTE RESOLUTION/ARBITRATION AGREEMENT AND CLASS ACTION WAIVER

PLEASE READ THIS DISPUTE RESOLUTION/ARBITRATION AGREEMENT AND CLASS ACTION WAIVER, INCLUDING THE OPT-OUT PROVISION, CAREFULLY TO UNDERSTAND YOUR RIGHTS. IT REQUIRES THAT CLAIMS (AS DEFINED BELOW) BE RESOLVED SOLELY THROUGH BINDING ARBITRATION ON AN INDIVIDUAL BASIS, RATHER THAN BY A JURY OR IN A CLASS ACTION.

Arbitration is a method of resolving any Claim without filing a lawsuit. In this Arbitration Agreement and Class Action Waiver (collectively including all of this section of this Agreement), You, We, and the Administrator/Obligor (the "Parties") are agreeing to submit any and all Claims to binding arbitration on an individual basis for resolution. This Arbitration Agreement and Class Action Waiver sets forth the terms and conditions of Our agreement to binding

arbitration. The Parties agree that any and all claims, disputes and controversies related in any way to this **Agreement**, including but not limited to claims related to the underlying transaction giving rise to this Agreement, or claims related to the sale, financing or fulfillment of this **Agreement** (collectively, "Claims"), shall be resolved by final and binding arbitration. "Claims" shall be given the broadest meaning possible and includes, without limitation, Claims arising under Agreement, tort, statute, regulation, rule, ordinance or other rule of law or equity, and Claims against any of **Our** or the **Administrator's** owners, shareholders, members, affiliates, subsidiaries, divisions, directors, officers, employees, representatives, agents, successors, or assigns. "Claims" does not include a statutory claim for public injunctive relief brought under any California statute enacted for a public reason, provided that **You** are a California resident or that **You** purchased **Your Agreement** in California. In arbitration, Claims are resolved by an arbitrator and not by a judge or jury. **THE PARTIES, INCLUDING YOU, WAIVE ANY RIGHT TO HAVE CLAIMS DECIDED BY A JUDGE OR JURY.**

In addition, except as expressly stated in the Class Action Waiver or otherwise expressly stated herein, the arbitrator shall have exclusive authority to decide all issues related to the enforcement, applicability, scope, validity, and interpretation of this Arbitration Agreement, including but not limited to any unconscionability challenge or any other challenge that the Arbitration Agreement is void, voidable or otherwise invalid. Notwithstanding this Agreement to arbitrate, each of the Parties retains the right to seek remedies in small claims court to resolve any Claim, on an individual basis, within the jurisdiction of small claims court. You acknowledge Your understanding that all Parties hereunder are waiving their rights to go to court, except for small claims court, to resolve any Claims arising under or related to this Agreement. The Parties agree and acknowledge that the transaction evidenced by this Agreement affects interstate commerce. The Parties further agree that all issues relating to this Arbitration Agreement and Class Action Waiver, including its enforcement, scope, validity, interpretation, and implementation, will be determined pursuant to federal substantive law and the substantive and procedural provisions of the Federal Arbitration Act ("Act"), 9 U.S.C. §§ 1-16. If federal substantive law holds that state law should apply to any issue relating to this Arbitration Agreement and Class Action Waiver, then the law of the state where **You** purchased the Agreement shall apply, without regards to conflicts of law. **CLASS ACTION WAIVER.** All Claims must be brought solely in an individual capacity, and not as a plaintiff or class member in any purported class action, collective action, representative action, mass action, private attorney general action or action on behalf of the general public, or similar proceeding (any such action is referred to herein as a "Class Action"). **NO CLAIM WILL BE ARBITRATED ON A CLASS ACTION BASIS.**

The Parties, including **You**, expressly waive any right or ability to bring, assert, maintain, or participate as a class member in any Class Action in court, arbitration, or any other forum, and the right for anyone to do so on **Your** behalf. The arbitrator may not consolidate more than one person or entity's claims, and may not otherwise preside over any Class Action. The arbitrator shall not have the authority to combine or aggregate multiple persons' or entities' Claims or discovery, to conduct a Class Action or to make an award to any person or entity not a party to the arbitration. Notwithstanding anything to the contrary, the Parties agree that the enforcement, applicability, scope, validity, and/or interpretation of this Class Action Waiver shall be decided by a court of competent jurisdiction and not by an arbitrator. If this Class Action Waiver is ruled unenforceable or is interpreted to not prevent a Class Action, then the Arbitration Agreement shall be null and void, and any Claims shall proceed in a court of law and not in arbitration. The Parties agree that if an arbitrator renders a decision regarding the enforcement, applicability, scope, validity, and/or interpretation of this Class Action Waiver, or determines that a Class Action may proceed in arbitration, then: (1) the arbitrator has exceeded his powers, pursuant to §10(a)(4) of the FAA, by taking such action; (2) either party may seek immediate review of that decision by a court of competent jurisdiction; and (3) a court of competent jurisdiction shall apply a "de novo" standard of review of that decision if such standard of review is allowed by the common law or statutes of that state. The Parties, including **You**, agree that if for any reason a Claim proceeds to Court, rather than arbitration, (1) the Claim will proceed solely on an individual, non-class, non-representative basis, and (2) no Party may be a class representative or class member or otherwise participate in any **Class Action**.

The arbitration shall be administered by the American Arbitration Association ("AAA"). The arbitration shall be conducted pursuant to the AAA Consumer Arbitration Rules (the "Code"). Information on AAA and a copy of the Code may be found at URL: American Arbitration Association, www.adr.org. The arbitration will be governed by federal substantive law and the substantive and procedural provisions of the Federal Arbitration Act ("Act"), 9 U.S.C. §§ 1-16. If federal substantive law holds that state law should apply to any issue relating to the arbitration, then the law of the state where **You** purchased the **Agreement** shall apply, without regards to conflicts of law. The arbitration will occur before a single, neutral arbitrator selected in accordance with the Code in effect at the time the arbitration is commenced. If **Your** total damage claims (not including attorney's fees) do not exceed \$25,000, then all Claims shall be resolved by the Code's Procedures for the Resolution of Disputes through Document Submission, except that a Party may ask for a hearing or the arbitrator may decide that a hearing is necessary. If a hearing is held, **You** have a right to attend the arbitration hearing in person, and **You** may choose to have any arbitration hearing held in the county in which **You** live, the closest AAA location to **Your** residence, or via telephone. In the event that the specified arbitration forum is unavailable, the Parties may agree on a substitute arbitration forum. If the Parties cannot agree, a court of competent jurisdiction may appoint a substitute arbitration forum. For information about how to initiate arbitration with the AAA, the Parties may refer to the AAA Code and forms at www.adr.org. If **You** initiate arbitration with AAA, **You** must pay the AAA filing fee in an amount no greater than the fee **You** would have to pay if **You** filed a complaint in federal court. **We** will pay any remaining Costs of arbitration required by the Code ("Arbitration Costs"); however, if the arbitrator determines that any of **Your** claims are frivolous, **You** shall bear all of the Arbitration Costs. If **We** initiate arbitration against **You**, **We** will pay the AAA filing fee and the Arbitration Costs. Each party will pay his/her/its own attorney's fees, as well as costs relating to proof and witnesses, regardless of who prevails, unless applicable law and/or the Code gives a party the right to recover any of those fees from the other party. An arbitration award may not be set aside except upon the limited circumstances set forth in the Federal Arbitration Act. An award in arbitration will be enforceable under the Federal Arbitration Act by any court having jurisdiction. The time for commencing an arbitration asserting any Claim shall be determined by reference to the applicable statute(s) of limitations, including the applicable rules governing the commencement of the limitations period, and a Claim in arbitration is barred to the same extent it would be barred if it were asserted in court of law or equity rather than in arbitration.

If any portion of this Arbitration Agreement is deemed invalid or unenforceable, all the remaining portions of this Arbitration Agreement shall nevertheless remain valid and enforceable, provided, however, that if any portion of the Class Action Waiver is deemed invalid or unenforceable, then this Arbitration Agreement shall be invalidated and unenforceable in its entirety. In the event of a conflict or inconsistency between this Arbitration Agreement and Class Action Waiver and the other provisions of this **Agreement** or any other Agreement, this Arbitration Agreement and Class Action Waiver governs.

OPT-OUT PROVISION. YOU SHALL HAVE THE RIGHT TO OPT OUT OF THIS ARBITRATION AGREEMENT AND CLASS ACTION WAIVER BY PROVIDING WRITTEN NOTICE OF YOUR INTENTION TO DO SO TO US WITHIN THIRTY (30) DAYS OF THE PURCHASE OF THIS AGREEMENT (THE DATE OF PURCHASE BEING INDICATED ON YOUR REGISTRATION PAGE).

To opt out, You must send written notice to: Headstart Warranty Group LLC. [14114 North Dallas Pkwy., Ste. 600, Dallas, Texas 75254]. You must include in Your opt out notice: (a) Your name and address; (b) the date You purchased Your Contract; and (c) the Dealer. If You properly and timely opt out, then all Claims will be resolved in court rather than arbitration.

PRIVACY

It is Our policy to respect the privacy of Our customers. For information on Our privacy practices, please review Our privacy policy at [www.headstartwarrantygroup.com].

ATTORNEY FEES, EXPENSES AND COSTS

If any of the Parties engage in legal action to defend, enforce, construe, or interpret this Contract, the prevailing Party shall be entitled to recover attorneys' fees, expenses of investigation and litigation, and court costs for such action, including those on appeal, those in bankruptcy and those in determining the amount of any such fees.

GOVERNING LAW

This Contract shall be governed by and construed in accordance with the laws of the State of Texas.

SEVERABILITY

The parties agree that if any provisions of this Contract may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision shall have the meaning, which renders it valid and enforceable. The language of all provisions of this Contract shall be construed according to fair meaning and not strictly construed against either party. The provisions of this Contract are severable, and this Contract shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions shall be enforced to the extent that they are valid and enforceable. If any material provision of this Contract shall be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Administrator reserves the right to terminate this Contract.

CONTRACT HOLDERS' RESPONSIBILITY: It is Your to authorize the Repair Facility to inspect, diagnose and troubleshoot any problem they are experiencing. You are responsible for any charges for diagnostics until a Breakdown has been identified. The part in question must be listed in the Service Contract to be eligible for Coverage. At that point We will initiate the claim, negotiate with the Repair Facility and process the agreed amount of payment. You are responsible to pay the stated Deductible amount in the Contract, any additional labor costs above the maximum reimbursement amount stated in the Contract, shop supplies fees, any other repairs made that are not approved repairs and any other charges that are not specified in the Contract.

REPAIR FACILITIES: We will need a detailed estimate that contains what diagnostics were performed, electronic supporting documents such as ECM printouts showing the fault codes, OEM diagnostic data if available, photographs of failed parts if available and an itemized list of the parts required to repair a Breakdown. It is imperative We receive this data as soon as possible because without supporting documentation the claim process will be delayed.

OUR RESPONSIBILITIES: Once We approve the claim, We will send a written approval that itemizes exactly what We will be paying for. When We receive the final invoice signed by You and all supporting documentation requested, We will issue a credit card payment authorization immediately for the pre-approved dollar amount. After the credit card has been processed, We will need a copy of the transaction receipt.
